Canvas-320 65% polyester/35% cotton 320gsm canvas

<http://www.xmtextiles.com/en/component/virtuemart/canvas-320-65-35-320gsm-canvas-detail.html>

Canvas-320 is an extremely durable fabric (tensile strength > 100N), with canvas structure which gives you a feeling of cotton touch.

It is made of 65% polyester and 35% cotton.

Canvas-320 is best suited for manufacturing of European style professional workwear.
